RE: Technical Staff Tour
Co-op Mining Company
Bear Canyon Mine
ACT/015/025
Emery County, Utah

On Monday, December 13, the Co-op technical staff review team from DOGM toured the Bear Canyon Minesite. Those present for this tour included Ev Hooper, Pam Grubaugh-Littig, Lynn Kunzler and Rick Summers. A general overview of the surface facilities was observed with specific attention directed to the recently constructed upper pad and details of the sedimentation system and pond. The addition of several water outlets at the lower end was noted. No contact was made with any company officials.
